Four-Day Sessions

CREATING A COMPREHENSIVE CONTINUUM OF SUPPORT FOR BEHAVIOR

with Jessica Sprick

Build an MTSS (Multi-Tiered System of Support) to ensure that layers of support are available to meet students' varied needs and to help all students thrive.

LEADERSHIP IN BEHAVIOR SUPPORT

with Jacob Edwards

Effective schools have effective leadership. This workshop focuses on the instructional leader's role in building and maintaining a positive and proactive school climate for students, staff, and the community.

CHAMPS AND CLASSROOM-BASED BEHAVIOR INTERVENTIONS

with Kim Earthman

Participants will learn how to use CHAMPS to implement a proactive, positive, and instructional approach to classroom management and also give teachers tools to support the students who chronically misbehave

EXPLICIT INSTRUCTION

with Dr. Anita Archer

This session will immerse practitioners in the theory and practice of designing and delivering instruction in a manner that is systematic, direct, engaging, and success oriented—in a word: explicit.

DEVELOPING EFFECTIVE BEHAVIOR INTERVENTIONS

with Dr. Tricia Berg

Chronic misbehavior often gets in the way of our ability to provide effective academic instruction. The goal of this session is to expand your toolkit with intervention strategies that can support students who demonstrate challenging behaviors in your classroom.

COACHING CHAMPS

with Tricia Skyles

This session is built around the concepts of an effective MTSS system for students. We take the same MTSS framework and use it to guide how we support staff with coaching as a vital piece in all three tiers.

Prerequisite: Must have attended a CHAMPS or DSC training within the last 3 years.

Registration fee of \$1,395 includes the course textbook and continental breakfast and lunch Monday through Thursday.

The conference starts Sunday evening with a keynote presentation by Dr. Anita Archer.

Anita L. Archer, PhD, is an educational consultant to school districts on explicit instruction, the design and delivery of instruction, behavior management, and literacy instruction.

In-depth sessions begin Monday and continue through Thursday. Select one four-day session that will meet from 8:30 am to 3:30 pm Monday through Thursday.
