

Authorization to Cremate

I hereby authorize Gundrum Pet Cremation Care to arrange for the private cremation of my pet. I understand that I must recover the cremated remains within thirty (30) days of the date of Cremation. Gundrum Pet Cremations takes no responsibility for cremated remains where no permanent provisions have been made within a thirty (30) day period for the disposition of the cremated remains and reserves the right to dispose of cremated remains after such period.

Cremated remains consist primarily of bone fragments, which are processed after cremation to permit their placement in an urn or other suitable container. The obligation of Gundrum Pet Cremation Care shall be limited to the cremation of the pet and the disposition of the cremated remains. The undersigned agrees to hold harmless and release Gundrum Pet Cremation Care, its agents and employees from any and all loss, damages, liability or cause of action in connection with the cremation and disposition of the cremated remains as authorized herein.
