

GRACE AND PEACE 2025

In partnership with you the Breezewood Trucker-Traveler Chaplaincy learns anew the meaning of hospitality and Good Samaritan assistance with each person who comes seeking help and answers. Highway life can be a wealth of blessings as well as a threat to the soul with competition fierce at times for the hearts of men and women. The questions do surface: What shall I do? Where am I to go? What is my purpose? We can turn and believe the One Source who loves unconditionally and will never fail in abiding with us. Praise to the Lord God Almighty!

2025 will continue a call for resilience as our communities recover and/or uncover faith in the midst of uncertain times; war, mass shootings, economic struggles, political drama, and moral poverty across cultures. Where do we stand? The trucking and travel industries many times reflect national trends and priorities. The Breezewood community continues to reflect real world recovery from a host of challenges. Thank you for your part in the ministry of Biblical hospitality we endeavor in Breezewood. We value your involvement in helping to re-present the gospel safely in busy 24 hour a day highway workplaces.

We welcome your consideration of the following outreach projects/donations to the Trucker-Traveler Ministries:

1. Bibles, bookmarks, small crosses or other symbols of faith, etc.
