Silent Auction/Banquet

The Trucker/Traveler Silent Auction and Banquet was held Saturday, September 27 at the Everett Church of the Brethren with many supporters in attendance. A delicious meal was served, and Chaplain Maxwell shared some human-interest stories that he encountered in this Ministry. Prior to the banquet the silent auction was open to all in attendance. Donations from community businesses and individuals were auctioned off to support the Ministry. We are so grateful for all those who donate to this ministry to keep Christ's presence alive and viable in this area!

Making Pumpkin Rolls

On Thursday, November 13th Ministry volunteers along with Tech Center culinary students made 154 pumpkin rolls as a fund raiser for the Trucker-Traveler Ministry. The volunteers worked through the day and completed the assembly process in record time!

We are grateful for all who purchased these rolls to support this Ministry and for all the wonderful volunteers that baked, mixed filling, filled and wrapped them.

Looking Ahead

The annual pie and sandwich sale will soon be upon us. The date for delivery will be Wednesday, March 25, 2026. A future mailing will have all the details for ordering and pick up!

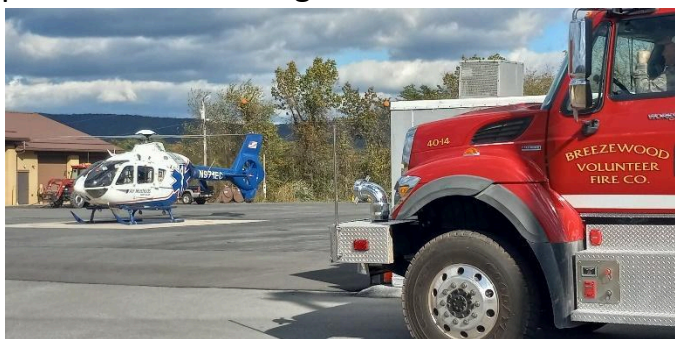

Annual Meeting

The Annual Meeting of the Breezewood Trucker/Traveler Ministry is scheduled for Tuesday, March 17 2026 at 11a.m. at the Everett Assembly of God Church. During the meeting there will be election/re-election of Committee members and reports of the on-going work of this Ministry.

Chaplain Maxwell will share ministry updates and activities of the preceding year. Financial reports, evaluation reports, and hospitality table opportunities will also be given. A noon time meal will follow for all who attend the meeting. Please put this on your calendar and plan to attend!

Prayers for Safe Travels

The community of Breezewood welcomes thousands of travelers each day populating a multitude of crossing roads: interstate, state, and county byways. Our community is fortunate to have a cadre of first responders who respond to the unfortunate. Accidents, injuries, and death can and do happen. These past few months we have seen vehicle accidents involving speeding cars, trucks, motorcycles, and pedestrians. Life flight has been needed.

Breezewood Fire Company and Life Flight Responding

One tragic incident we call attention to happened on November 2nd around noon

near Sideling Hill park on State Game lands when Brian McGee of Allentown, age 37 was found by a local hunter with mortal injuries. He died two days later at Conemaugh Trauma Center in Johnstown. The cause of his injuries is an active investigation: any person with information should call DCNR (Dept of Conservation and Natural Resources) at 717-494-3148, ext #2. Mr. McGee was a familiar sight to many walking the roadways of Bedford, Everett, and Breezewood since arriving in our area in early July 2025.

Our thoughts and prayers go with Mr. McGee's family, as well as others who lost loved ones in vehicle accidents on the roadways of our region.

Lincoln Highway History!

The Old Traveler's Rest Between Breezewood and Everett
(art work by John B. Koontz, Jr)

Route 30 in Central Pennsylvania is considered part of the Lincoln Highway which connects San Francisco to New York. Known as the Raystown Path, it has a trading history with Delaware and Shawnee Tribes and was later improved as the Forbes Road by General Forbes in 1758. Parts of early Pennsylvania were very difficult to traverse; modern means of transportation are a blessing with businesses such as The Traveler's Rest catering to the traveling public for decades, before it was closed. In recent years it has been repurposed as a ministry: Renewing Hope Ministries!
