NEW ARRIVAL – MAKE DRYING YOUR BOAT A BREEZE!

Say goodbye to streaks and slow drying! The Deckmate Maxiblade is the ultimate tool for keeping your boat looking pristine. Its flexible triple-edge silicone blade removes water in just one pass, leaving decks, windows, and gelcoat surfaces spotless.

Designed with professionals and boating enthusiasts in mind:

- Use by hand for windows and tight spaces
- Attach to any Deckmate handle for larger and higher surfaces
- Built tough – won't separate from the holder like other brands

Keep your boat looking its best faster and easier than ever before.
Only \$60 – grab yours now and make drying effortless!

PRODUCT INTRODUCTION - LONG TELESCOPIC HANDLE DECKMATE MAXIBLADE

Reach Every Corner with Ease –
Deckmate Maxiblade + Telescopic
Handle!

Take your boat drying to the next level!
The Deckmate Maxiblade pairs perfectly
with the long telescopic handle, allowing
you to reach decks, rails, and hard-to-
access areas without stretching or
straining.

Click-together design: The Maxiblade

attaches securely to the handle with a
simple click, giving you a stable,
reliable connection that won't separate
during use.

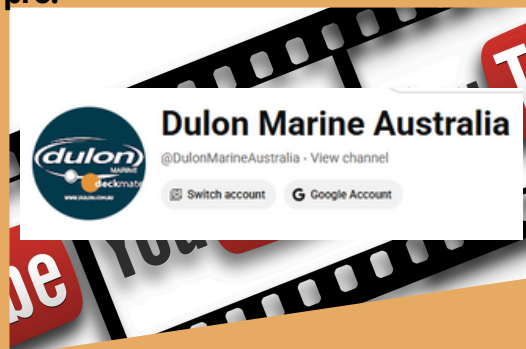

Versatile: Can also be used by hand for
windows or tight areas.

Spot-free drying: Perfect for gelcoat,
teak, and other hard surfaces – leaving
your boat flawless every time.
