**SYDNEY  
BOAT SHOW**  
14-17 AUGUST  
SYDNEY SHOWGROUND

## WE'RE HEADING TO THE SYDNEY BOAT SHOW – AUGUST 14-17, 2025!

Following the overwhelming success of our presence at the Sanctuary Cove Boat Show, we're excited to announce our participation in the 2025 Sydney Boat Show at the Sydney Showground, Sydney Olympic Park.

To celebrate, enjoy an exclusive 20% OFF all stock during the event. Our products are engineered with precision and crafted from premium materials, ensuring unmatched durability and performance. Whether you're a seasoned mariner or a weekend enthusiast, our range is designed to elevate your boating experience.

We'll share our exact booth location and additional event details as the date approaches.

Don't miss this opportunity to explore our superior offerings and take advantage of our special promotion. We look forward to welcoming you aboard!

**WE WILL OFFERING  
20% OFF AT THE  
BOAT SHOW!**

We are excited to 20% OFF all stock for the entire month of August, and this includes us posting your products to you so you don't need to carry them at the show.

## PRODUCT INTRODUCTION - BOAT BOTTOM CLEANER & SCRUBPADS

Dulon Boat Bottom Clean is a powerful detergent designed to effectively remove marine growths such as algae, seaweed, barnacles, and green deposits from the submerged parts of your boat.

Its potent formula ensures a thorough clean, maintaining your vessel's performance and appearance.

Pair with the versatile Deckmate scrub pads (DM250-252), which can also be used throughout your vessel.

**Directions:**

- Apply the cleaner to the submerged surfaces using a sponge, soft brush, or low-pressure pump. Allow it to sit for approximately 10 minutes, ensuring it doesn't dry out.
- Then, scrub the area with a brush or sponge to dislodge the marine growths.
- Finally, rinse the cleaned surfaces with water, preferably using a high-pressure sprayer.
- Repeating this step may be required if your boat is particularly grimey.
