\*Includes Postage

### PRODUCT INTRODUCTION - STAINLESS STEEL POLISH & MICROFIBRE CLOTHS

Keep your stainless steel fittings looking as good as new! Dulon Stainless Steel Polish is specially formulated to clean, protect, and restore stainless steel surfaces on your boat.

It removes fingerprints, water spots, and light oxidation while leaving behind a streak-free, protective finish that resists salt, grime, and tarnishing. Perfect for railings, cleats, ladders, and

other marine hardware, it keeps your stainless steel shining longer with less effort. Pair with a microfibre cloth for the perfect finish.

#### Directions:

- Shake well before use.
- Apply a small amount to a clean microfibre cloth.
- Rub evenly in the direction of the grain.
- Buff with a dry cloth for a streak-free shine.
- Repeat if needed for stubborn marks.
