

# XIVA — Formulator Contest Entry Form

*Amazonia Lipid Architecture Formulation Challenge*

## 1) Formulator Information

Full name: \_\_\_\_\_  
Company / Freelancer: \_\_\_\_\_  
Email: \_\_\_\_\_  
Phone: \_\_\_\_\_  
Address: \_\_\_\_\_  
Postal code + city: \_\_\_\_\_  
Country: \_\_\_\_\_  
LinkedIn / Website (optional): \_\_\_\_\_

## 2) Lab Information

Lab / Facility name: \_\_\_\_\_  
Lab address: \_\_\_\_\_  
Country: \_\_\_\_\_  
Primary equipment available (optional): \_\_\_\_\_  
Quality / compliance notes (optional): \_\_\_\_\_  
Lab contact person (if different): \_\_\_\_\_

## 3) The Challenge

Create one finished cosmetic formulation using this curated set of Amazonian lipids:

Murumuru • Tucuma • Cupuaçu • Babassu • Andiroba • Açaí • Patauá

We're looking for formulas that feel premium, perform reliably, and scale realistically—built from lipid architecture, not short-

## 4) What you submit (checklist)

- 1 physical sample (delivered at the BioTara booth)
- 1-page technical sheet including: Full INCI
- 1-page technical sheet including: Use levels (%) of each oil
- 1-page technical sheet including: Product concept & positioning
- 1-page technical sheet including: Target skin/hair type
- 1-page technical sheet including: Brief process description

## 5) Formulation Summary

Working title of formulation: \_\_\_\_\_  
Product type: \_\_\_\_\_  
Claim / performance goal: \_\_\_\_\_  
Target skin/hair type: \_\_\_\_\_  
Texture & sensory (glide, absorption, after-feel): \_\_\_\_\_  
Stability notes: \_\_\_\_\_  
Scale-up considerations: \_\_\_\_\_  
Anything the jury should know (optional): \_\_\_\_\_

## 6) Oil Use Levels (%) — must include all oils

Murumuru: \_\_\_\_\_  
Tucuma: \_\_\_\_\_  
Cupuaçu: \_\_\_\_\_  
Babassu: \_\_\_\_\_  
Andiroba: \_\_\_\_\_  
Açaí: \_\_\_\_\_  
Patauaá: \_\_\_\_\_

## 7) Evaluation criteria

- Technical integration & stability
- Texture + sensory excellence (glide, absorption, after-feel)
- Formulation logic & innovation
- Commercial feasibility (scale-up realism)

## 8) Declarations

- I confirm the formulation is my original work (or I have the right to submit it).
- I agree that XIVA may review the submission for evaluation purposes.
- I confirm I have provided accurate contact and lab information.

Signature: \_\_\_\_\_

Date: \_\_\_\_\_
