

## A True Extension of Your Team.

When you need trusted boots on the ground, Perry Construction Management provides professionals who plug directly into your team and hit the ground running. No onboarding, no hand-holding, no guesswork.

## However You Need Us.

We don't squeeze you into our model. We shape our support to fit yours: Site leadership, safety management, project support, coordination, oversight, or a hybrid of all of it. If you need it, we do it...and we do it as if we were your own.

## Whatever the Role.

- ▶ Construction Manager
- ▶ Site Superintendent
- ▶ Site Safety Manager
- ▶ Assistant Superintendent
