Dear Friends of Saint Mary's Catholic School,

I am writing to you today with great excitement as we begin to look to the new year and think about the future of Saint Mary's.

We are blessed each day to see our classrooms filled with curiosity, kindness, and faith, and we want to ensure our physical spaces reflect that same vibrant spirit. We firmly believe every child deserves a welcoming and inspiring place to learn and grow, but many of our classroom furnishings, and fixtures are well past their prime.

We are launching our "Glow Up While They Grow Up" campaign to raise funds for this campus refresh. We are seeking your support to help update our classrooms with appropriate furnishings and functional fixtures that support collaboration, focus, and pride in our school. Together, we can create a welcoming environment that reflects the excellence and care our students experience every day.

Proceeds from this year's Saint Mary's Catholic School PTO Gala will support this $60,000+ campaign and will help us create an environment that reflects the vitality of our school.

Thank you for believing in our students and helping us cultivate a more beautiful and inspiring place to learn. Your generosity is greatly appreciated!

Sincerely,

Amanda S. Esparza
Principal
