

We are excited to introduce **Continuous Enrollment** at SMCS, a simple and convenient way to ensure your child remains enrolled year after year! Our goal is to make the re-enrollment process **easier, more efficient, and stress-free** for our families.

WHAT IS CONTINUOUS ENROLLMENT?

Once your child is enrolled at St. Mary's, they will be automatically re-enrolled every year until they graduate or we are notified otherwise. This eliminates the need to complete annual paperwork and ensures a seamless transition from one academic year to the next.

WHY ARE WE MOVING TO CONTINUOUS ENROLLMENT?

- **Convenience** – No more re-enrollment forms or deadlines each year!
- **Security** – Secure your child's spot at SMCS without additional steps.
- **Efficiency** – Allows our school to better plan for staffing, programs, and resources.
- **Peace of Mind** – Focus on your child's education without worrying about re-enrollment deadlines.

HOW DOES IT WORK?

1. Your child will be **automatically re-enrolled** each year.
2. Tuition agreements and payment plans will be communicated before the opt-out period opens.
3. If you **need to make changes** or opt-out, you can notify us the Opt out period.

WHEN DOES IT START?

1. In January 2026 the contract language in the enrollment contracts will change.
2. January 2026 will look and seem similar to years past.
3. In January 2027, re-enrollment will not be necessary; we will offer an Opt-out period for any family who may not wish to return to SMCS.
