

Digital Citizenship

Guided by our
Teachers, Faith,
and **YOU.**

Rules and Tools

1. All students and families must sign a Technology and Internet Acceptable Use Policy provided by the Diocese at the start of every school year.
2. Chromebooks and iPads are learning supports and are never taken home.
3. Members of our Digital Citizenship Team help select research-based curriculum content from Common Sense Education.

Resources

Parents have access to Common Sense Media tools for students ages 4-13+ on our website.

Scan below to access Tech Planners, activities, and more!
