

Dear Families,

This summer we would like students to complete the following IXL activities. Please go to the link below to complete them. Students are required to score an 85% or higher or work for at least 25 minutes on each skill. Once your child completes the skill please have them write the time they spent and their smart score. We would like parents to initial each skill once completed.

Thank you and have a wonderful summer,
SMCS Middle School Math Team

Due Date:

<https://www.ixl.com/math/skill-plans/ixl-summer-boost-grade-6>

Assignment	3 Digit Code	Time Spent	Smart Score	Parent Initials
Multiply by 3 digit numbers	NSP			
Write numerical expressions for word problems	NF5			
Relationship between decimal place values	DVM			
Multi-step word problems: multiplicative comparison	V59			
Add and subtract mixed numbers: word problems	6BH			
Estimate quotients: 2-digit divisors	EFW			
Compare, order, and round decimals: word problems	2MV			
Divide 4 digit by 2 digit	35K			
Add and subtract money: multi-step word problems	MCG			
Multiply two fractions: word problems	38Y			

SAINT MARY'S
CATHOLIC SCHOOL

Divide unit fractions and whole numbers	SPB			
Create and interpret line plots with fractions	XBS			
Volume of rectangular prisms made of unit cubes: word problems	QMA			
Add, subtract, multiply and divide fractions and mixed numbers: word problems	APD			
Divide by decimals without adding zeros	RTS			
Interpret Charts and graphs to find mean	VBL			
Add, subtract, multiply, and divide decimal problems	7SX			
Interpret Scatter Plots	GYV			
Area of rectangles with fractions and mixed numbers	PMV			
Graph points on coordinate plane	AST
