

Dear Families,

This summer we would like students to complete the following IXL activities. Please go to the link below to complete them. Students are required to score an 85% or higher or work for at least 25 minutes on each skill. Once your child completes the skill please have them write the time they spent and their smart score. We would like parents to initial each skill once completed.

Thank you and have a wonderful summer,  
SMCS Middle School Math Team

**Due Date:**

<https://www.ixl.com/math/skill-plans/ixl-summer-boost-grade-6>

Assignment	3 Digit Code	Time Spent	Smart Score	Parent Initials
Multiply by 2-digit numbers: complete the missing steps	9LX			
Write numerical expressions for word problems	NF5			
Relationship between decimal place values	DVM			
Multi-step word problems: multiplicative comparison	V59			
Add and subtract mixed numbers: word problems	6BH			
Estimate quotients: 2-digit divisors	EFW			
Compare, order, and round decimals: word problems	2MV			
Complete the division sentence: 2-digit divisors	HMZ			
Add and subtract money: multi-step word problems	MCG			

**SAINT MARY'S**  
CATHOLIC SCHOOL

Multiply two fractions: word problems	38Y			
Divide unit fractions and whole numbers	SPB			
Create and interpret line plots with fractions	XBS			
Volume of rectangular prisms made of unit cubes: word problems	QMA			
Add, subtract, multiply and divide fractions and mixed numbers: word problems	APD			
Divide by decimals without adding zeros	RTS			
Identify mistakes involving the order of operations	JLJ			
Add, subtract, multiply, and divide decimal problems	7SX			
Interpret bar graphs: multi-step problems	DGY			
Area of rectangles with fractions and mixed numbers	PMV			
Graph points on coordinate plane	AST
