

3rd Grade Summer Reading & Math

Welcome to Third Grade! We are so excited to see you in August!

READING: We have heard from your Second Grade teachers what wonderful students you are and how much you have learned this past year. We want to encourage you to keep exercising your brain, along with your body, this summer.

To prepare for Third Grade, you are required to read the following book. Third Grade Angels by Jerry Spinelli. After you read, complete the attached book review form. We have also enclosed a reading log so we can see all of the wonderful books you choose to read this summer.

*You will turn in *the reading log and *your book review at Meet the Teacher Day, or the first day of school.* The log and reviews should be signed by your parents.

We have provided you below a list of suggested chapter books. These are not required, but if you are looking for some great books, start here. We can't wait to see you!

Great books to read:

Who Was/Who is series (There are several authors of this series)

Magic Tree House series by Mary Pope Osbourne

Encyclopedia Brown series by Donald J. Sobol

Geronimo Stilton series by Elisabetta Dami

Judy Moody series by Megan McDonald

Fantastic Mr. Fox by Roald Dahl

Ramona series by Beverly Cleary

According to Humphrey series by Betty Birney

Cam Jansen series by David Adler

MATH: Spend some time each week working on your math skills. Log into IXL and practice your **starred skills**. You should practice each skill for 15 minutes or until you earn a SMART score of 85 (whichever occurs first). Additionally, though not required, you may play games and practice other skills within the IXL program.

If you are new to Saint Mary's, please use this [Summer Math Review](#).

Name: _____

Please fill out this reading log in your neatest handwriting. Feel like reading more than 10 books? That's amazing! Just go ahead and print a second log so we can see all of the wonderful books you read. Happy Reading!
