## Risen Christ Mausoleum

Saint Sylvester Catholic Church is now offering crypts and niches for purchase in a special mausoleum nestled in the serene woods on the northern part of our property. Our intent is to provide a peaceful and dignified final resting place for your loved ones, surrounded by nature and tranquility.

At the center of the mausoleum is a beautiful chapel, located among the interior crypts. This sacred space is inspired by the main church altar and will feature many of its appointments, creating a comforting and reverent environment for prayer and remembrance.

The Risen Christ Mausoleum will have 330 single crypts (double crypts are 2 single crypts) as well as 300 single niches and 320 double niches to place your loved ones in perpetual solitude.

The grounds surrounding the mausoleum will be beautifully landscaped, providing a tranquil setting for reflection and remembrance. Ample lighting and modern security cameras will ensure the protection and safety of your loved ones' final resting place, day and night.
