INTERNET ONLINE SAFETY

We do explain to all the children about internet safety at Padiwacks. We also have dedicated boards highlighting internet safety and take the matter very seriously at Padiwacks. We also have a 'mobile phone and social networking policy' which we've had in place for many years and this covers internet safety. It's important that we all safeguard and protect our children online. We'd recommend all parents go to <https://www.childnet.com/> to access internet safety for your children. If you have any questions please speak to Olivia or Chloe.

We will continue to share information to families with further updates, links or flyers throughout 2026 because internet safety is extremely important for our children.

WHAT HAVE YOUR NURSERY CHILDREN BEEN DOING?

We want to know what your nursery children have been doing so we can link to their planning, what they've learned at home (milestones) and practically anything that helps us to get the best out of your children including trips to the zoo, holidays etc. The bond between parents, children and staff is really important.

PADIWACKS LIBRARY

We now have library books available on our ground floor. We would like children to take the books home so please help yourself to the books and then bring them back. There is no 'signing them in or out'. We just want the children to enjoy reading at home.

NEW HEALTHY MENU

All the children enjoy homemade meals at our setting. A new menu was released in February so please check our menu both online and it's also available on the front door.
