INTERNET ONLINE SAFETY

We do explain to all the children about internet safety at Padiwacks. We also have dedicated boards highlighting internet safety and take the matter very seriously at Padiwacks. We also have a 'mobile phone and social networking policy' which we've had in place for many years and this covers internet safety. It's important that we all safeguard and protect our children online. We'd recommend all parents go to <https://www.childnet.com/> to access internet safety for your children. If you have any questions please speak to Olivia or Chloe.

We will continue to share information to families with further updates, links or flyers throughout 2025 because internet safety is extremely important for our children.

WHAT HAVE YOUR NURSERY CHILDREN BEEN DOING?

We want to know what your nursery children have been doing so we can link to their planning, what they've learned at home (milestones) and practically anything that helps us to get the best out of your children including trips to the zoo, holidays etc. The bond between parents, children and staff is really important.

Pupils Premium / Parents week

We have used our pupils premium money in the Autumn term for staff training, resources and also new furniture to expand our new pre-school room, including new resources and furniture for the toddler room. The pupils premium money is designed to help support children in nursery to get the best start in life. We will be updated our plans in February for this term to help provide the best care for the children.

PADIWACKS LIBRARY

We now have library books available on our ground floor. We would like children to take the books home so please help yourself to the books and then bring them back. There is no 'signing them in or out'. We just want the children to enjoy reading at home.

All the children enjoy homemade meals at our setting.
