### INTERNET ONLINE SAFETY

We do explain to all the children about internet safety at Padiwacks. We also have dedicated boards highlighting internet safety and take the matter very seriously at Padiwacks. We also have a 'mobile phone and social networking policy' which we've had in place for many years and this covers internet safety. It's important that we all safeguard and protect our children online. We'd recommend all parents go to <https://www.childnet.com/> to access internet safety for your children. If you have any questions please speak to Olivia or Chloe.

We will continue to share information to families with further updates, links or flyers throughout 2026 because internet safety is extremely important for our children.
