PARENT NURSERY UPDATE NOVEMBER

The Early Years Foundation Stage

Parents Meeting

The next Parents meeting is on Monday 16th November 9am-9:15am. Please speak to Amy, Chloe or Olivia if you would like to attend. We will be discussing Tapestry, The EYFS, keypersons and home learning.

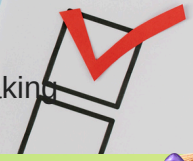

Term Feedback / Parents Week

The next parents term feedback will be week commencing 7th December 2026. We will be discussing your child's development and progress in the nursery.

Survey

We appreciate all feedback. If you have not already completed a survey questionnaire we would still really appreciate your views. This helps us improve. The nursery is under constant review and we aim to keep making improvements.

You said and we listened

Following feedback in the summer we have now set up to aim for at least one online electronic observation each week. We do of course continuously teach the children throughout each day from our curriculum and they learn through play. We do mention in the welcome letter that the authorities primarly want us to teach and focus on the children, rather than taking photos at every opportunity for the learning journal. Please do of course speak to your keyworker if you would like more online observations.

Food and nut free nursery

We have a new menu starting on Monday 2nd November 2026. Our cook works throughout the day to create homemade meals for all the children. Please also note that we are a 'nut free nursery' so strictly no food to be brought onto our premises.

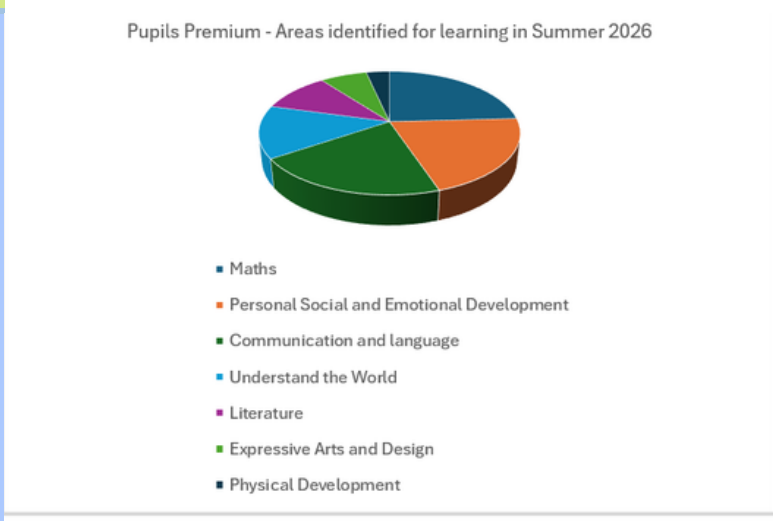

Pupils Premium

We receive extra money for children who get Pupils Premium. We invest this in trainng, 1to1's, resources, meetings and other aspects to help the children to develop. Please speak to Chloe or Olivia about Pupils Premium.

The following areas were identified for development in the Summer

Maths , 24.14% Personal Social and Emotional Development 20.69% Communication and language 20.69% Understand the World 13.79% Literacy 10.34% Expressive Arts and Design 6.90% Physical Development 3.45%.

The update for The Autumn term will be in mid-December once we have allocated all our resources and funds. We have already arranged courses through Lancashire County Council and purchased many new resources.

Wellies and Raincoats

It's the time of the year where we recommend you bring in a pair of wellie's and a raincoat. We aim to take the children out each day for fun and excercise both in our play area and into the local community

Kind Hands

We are working with the children on their understanding of kind hands throughout the nursery and how to express our emotions. This will be covered in Home Learning.

We are committed to supporting children with special educational needs and disabilities.
Our staff work closely with families to provide individual support and access additional advice where needed.

Policies and procedures:

Copies of our policies and procedures are available on request.
This includes our procedures for a child not being collected at the agreed time and for a child going missing , or away from the setting.

Activities, routines, and learning at home:

We provide a range of play-based activities and experiences, alongside a consistent daily routine.
We love to hear about your child's learning at home—please share photos, achievements, or interests with us so we can build on them in the setting.
We also have some exciting ideas that we'll be sharing on tapestry mid-November.
