When to contact the AAA Trash Be Gone Genie:

### Attics

If you have a staircase that leads up and you know it goes somewhere but you can't see to what, it may be time to call our Genie.

## Basements

If it's time to change the furnace filter but you can't find the furnace, it may be time to call our Genie.

## Garages

If you have a vision of your car out of the elements safely tucked away in your garage but the best you can do is put a picture of your car in the garage, it may be time to call our Genie.

## Pools

If the only thing that old pool now holds are memories, it may be time to call our Genie.

## Yards

If the snow has melted and there is still a huge pile that you thought was a huge snow-drift, it may be time to call our Genie.

## Sheds

If it's very easy to see what's in your shed even with the door open, it may be time to call our Genie.

### Flips

If you acquired a house to renovate and it's full of things you prefer not be there, it may be time to call our Genie.

### Fire

If you have suffered through a fire and it's time to clean up and rebuild, it may be time to call our Genie.

### Flood

If unwanted water has invaded your space from a plumbing problem or the weather, it may be time to call our Genie.

Construction site  
If your long-awaited construction project is complete but there is debris everywhere, it may be time to call our Genie.

Accident sites:  
If an unfortunate car or truck accident has created a mess you need cleaned up immediately, it may be time to call our Genie.

Decks:  
If walking on your deck is more like walking the plank on a boat in a hurricane, it may be time to call our Genie.

All these people took our advice and called our Genie. One call to us let them sit back and relax while our Genie and his team made it all "BE GONE!" Now their lives look like this:
