Before You Enrol

To help us process your enrolment and ensure continuity of care, please:

- **Make sure you have enough medication** from your current practice to cover the next four weeks. This allows us time to request and receive your medical notes before you see our clinician for your next prescription.
- **Complete your enrolment form** and bring the following :

What to bring with you

- Your complete **Enrolment Form**
- **ID** for yourself and each family member
(Passport, Community Services Card (CSC), Birth Certificate)
- **Photo ID** – Required to enrol you on our Patient Portal MyIndici
- **Email Address** - for each family member aged 16 and over
- **Mobile Phone Number** – we use this to remind you about upcoming appointments and recalls

Enrolment at AMC requires
acceptance of our Terms of Trade

New Patient Health Check

\$20

the first step to creating *Wellness Together*

We require all newly enrolling patients, aged 18 years and over, to attend a New Patient Health Check with our Health Care Assistant.

Why our New Patient Health Check is vital

This one-time check is designed to give you the best start with us.

It helps us get to know you and your health needs. It ensures we have all the information needed to provide safe, personalised care.

During your Health Check appointment, we will:

- Record **key health indicators** (e.g. blood pressure, weight, height)
- Review your **medical history**
- Check your **vaccination status** and **screening needs**
- **Set up appropriate recalls** and reminders
- **Introduce you to our practice systems**, including how to book appointments and use the patient portal
- **Answer any questions** you may have about your health needs or our services

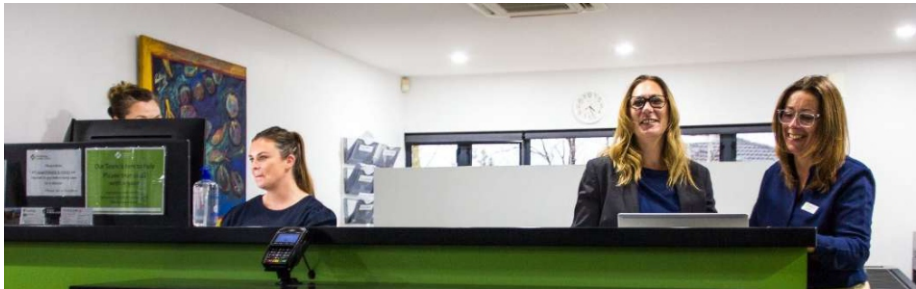

Need help or have questions?

We're here to support you every step of the way.

If you have any questions about the enrolment process or your care, please don't hesitate to give our friendly team a call.
