A Letter from Mr Taylor

I am incredibly proud and impressed by all of our amazing students who participated in this year's Talent Show. The energy, courage, and creativity on display were truly something special. We enjoyed a wide range of performances, including singing, dancing, karate, magic acts, piano pieces, and even a clever skit capturing a day in the life of our students. It was a joyful celebration of the many gifts within our school community. A video of the performance will be shared soon on our website and social media platforms for all to enjoy.

I would also like to extend my prayers and best wishes to our 8th grade students, many of whom will receive the Sacrament of Confirmation today at 11:00 a.m. in the Church. This is a meaningful milestone in their faith journey. Thank you to Ms. Giannelli for her dedication in preparing our students for this sacred and joyful occasion.

This past Monday, I had the pleasure of visiting Mrs. B's second-grade classroom to read (Not So) Scary Monsters and the Marvelous Monster Muddle. It was a wonderful experience filled with smiles and great conversation. Thank you to Mrs. B and her students for the warm welcome and for being such attentive listeners.

Our Boosterthon Fun Run campaign is officially underway. This year's theme, Star Quest 5, is already building excitement throughout the school. Each day next week, students will watch a short video to keep the momentum going as we approach the May 4th event. Thank you to everyone who has already signed up and begun raising funds. If you have not yet registered, please visit mybooster.com to get started. Our students are currently voting on a school-wide incentive if we reach our \$30,000 goal. At the moment, "Slime Your Principal" has taken the

lead. I suppose I should start preparing myself. The final incentive will be announced on Monday once all votes are in. Your support truly makes a difference.

Enrollment continues to move in a strong and positive direction. If you have not yet completed re-enrollment for the upcoming school year, please do so as soon as possible. This helps us plan effectively and ensures we are ready to meet the needs of our students. Thank you to all families who have already re-enrolled. We also encourage you to spread the word about our school. Several tuition assistance opportunities are available for new families, and all scholarship applications are processed through FACTS.

Finally, I want to share an important update regarding our building. Beginning Monday, construction will start on the roof over the Extended Day area. During this time, Extended Day will be relocated to Flanagan Hall. Families should use the side doors near the playground for drop-off and pick-up. A new doorbell system will be installed to support this temporary transition. Additionally, Wednesday band rehearsals will take place in Flanagan Hall, and Children's Choir will meet in Room 2 immediately after school on Tuesdays.

Thank you, as always, for your continued support, partnership, and trust. If you have not yet re-registered for the 2026–2027 school year, please take a moment to do so. Wishing you and your family a wonderful and restful weekend.

2025 Children's Choir Form

Dear Parents,

My name is Ewa Kowcz-Fair, and I am the SJB Laudate Children's Choir Director. I'd like to share with you some information about scholarships and benefits that your child may be eligible for simply by being part of the choir.

As we all know, students can receive scholarships in high school or college for sports, but they can also earn them by participating in choir or music programs that demonstrate growth in their skills. I have many choir alumni who have already graduated from college and still reach out to me with fond memories of their time in choir.

Some students have told me it all started in 3rd grade, when they learned how to properly communicate with audiences, use correct diction while speaking, and sing both in groups and as soloists. I also hear stories of them landing solos in high school, traveling across the U.S., and winning awards in modern musical productions. The key is consistency - being involved in choir throughout grade school and high school can build lifelong skills that stay with them and may even open doors in the future.

If your child is in 3rd grade or above and enjoys singing, please consider giving them the gift of music - it's an investment that will bear fruit in their future. We are here at SJB.

- Grades 3 - 4 meet on Tuesdays at 2:00 PM at school.
- Grades 5 and up meet on Tuesdays at 5:00 PM in the Music Rehearsal Room at the church.
- Children from our Parish Families (Grades 5 and up) meet on Thursdays at 5:00 PM in the Music Rehearsal Room at the church.

We sing at School Masses, Family Masses, annually downtown at the Pueri Cantores Festival, and occasionally out of town.

Please feel free to call me with any questions about the choir.

Thank you,

Ewa Kowcz-Fair

Divine Mercy Academy in Kenya

Dear Friends of the Poor,

In 2008, the Missionaries of the Poor opened a food kitchen for starving children in the slums of Nairobi, Kenya. Over time, the missionaries came up with the idea of an educational program to give children a chance to get out of the surrounding poverty and live with dignity.

When in 2012 volunteers from Chicago came to the mission for the first time and saw the enormity of the needs, they decided to organize help. Thanks to the support they received from the people of good will, volunteers have started to help the missionaries financially with various construction projects. Within five years, an orphanage, a new school, a kitchen with a dining room, toilets, a common room and a small medical clinic were built.

Today, 120 children ages 4 to 7 study at Divine Mercy Academy. The children come from families living in dire poverty and many of them coming from single parent households. Students receive free education, uniforms, shoes, backpacks and school supplies. The school serves two hot meals, which are often the only food the children will receive for the day.

At school, children learn their native language and English. They learn about the culture of their country and about God during religion lessons. Children have time to play and rest. Surrounded by the love and tender care of their teachers, they feel safe and loved.

The School of Divine Mercy functions thanks to the generosity of many people. You too can become an instrument of God's love and give hope to the poor children from the slums of Nairobi! Please join us in supporting Divine Mercy Academy.

The total schooling cost

- Tuition --- \$30
- Books and Supplies --\$20
- School Uniform --- \$20
