At the conclusion of the arrangement conference, you will receive a **Statement of Funeral Goods and Services Selected**. This document serves as a formal, legally binding agreement (contract) between you, the purchaser(s), and **Schrader Funeral Home, Inc.**

All parties responsible for payment must sign the statement and provide their residential address and Social Security number. If the purchaser(s) decline to provide this information, payment in full by cash or other approved guaranteed funds will be required. You will receive a copy of the signed agreement for your records.

Some items listed on the statement may be estimated; however, the purchaser(s) remain responsible for the final cost of all services, merchandise, and cash advance items.

Schrader is committed to providing exceptional value, experience, and care in the services selected. Accordingly, all prices and charges are established and non-negotiable.

If you are the sole beneficiary of a life insurance policy, the policy may often be assigned to the funeral home to cover all or a portion of the funeral expenses. Please bring the complete policy with you to the arrangement conference. Insurance policies must be verified and properly assigned before services can be scheduled or proceed.

If insurance proceeds are less than the total amount due, those proceeds will be applied to the account balance, and any remaining amount owed shall be the responsibility of the purchaser(s) who signed the agreement with Schrader Funeral Home, Inc.

Estate billing and in-house payment plans are not offered. **A \$25 fee will be charged for all returned checks.**

CASH ADVANCE ITEMS

Cash Advance items are payments a funeral home makes to other parties on behalf of a family and are included as a separate part of the funeral bill. Some common Cash Advance items and amounts...

- Musician honorarium \$150 - \$400
- Church fees \$200 - \$800

We offer services and merchandise in a wide price range to accommodate the client families we serve. If you are in a hardship situation, your funeral director will make suggestions to reduce costs, with your cooperation and understanding.

SCHRADER IS A FAMILY NAME YOU CAN TRUST. HERE'S WHY:

1. **OUR LONGSTANDING REPUTATION.** Our longstanding reputation for excellence in funeral service dates to 1868. No other family-owned funeral home in the area has been in business longer than the Schrader family. For six generations, St. Louis families have trusted the Schrader family to care for their loved ones.
2. **OUR BEAUTIFUL FACILITIES.** The largest, most beautiful funeral homes in West St. Louis County are in Ballwin and Eureka. Our locations are convenient to major highways and all points in between. You will appreciate the beautiful grounds, the comfortable, well-appointed rooms, and convenient parking areas. Our state-of-the-art crematory is on-site at our Ballwin campus. Our newly remodeled large Family Center in Ballwin is the logical and most convenient location for an after-funeral reception or Celebration of Life.
3. **SCHRADER IS FAMILY OWNED AND COMMUNITY MINDED.** We are St. Louis owned and managed. That sets us apart from corporate or franchise funeral homes with locations across the country or even around the world. As a locally owned small business, we support and donate to local causes and charities as much as we can because we know that home is where the heart is.
4. **OUR EXPERIENCED, CARING STAFF.** Our staff members are among the most experienced funeral professionals in St. Louis, who are genuinely committed to providing the best service possible to you. You will find friendly, concerned, and caring staff members at both of our locations. We are the experienced experts in every facet of funeral and cremation services, from intimate family gatherings to large-scale public ceremonies with thousands in attendance.
5. **YOUR PERSONAL CHOICES.** Whether you select cremation, burial, or an alternative service, you have choices in the services you select from Schrader. You are never pressured to buy anything. The choice is always personal, always yours.
6. **CUSTOM TAILORED REMEMBRANCES.** We want to help you create the most meaningful remembrance of your loved one. We offer personalized options in merchandise, personalized stationery choices, video presentations, photo displays, special music, balloon and dove releases, and personalized markers and monuments. For those who cannot attend, live webcasting is available.
7. **OUR PROFESSIONAL PRE-PLANNING STAFF.** You never deal with just a salesperson. Our preplanning staff members are licensed funeral directors who are experienced in helping you plan ahead. Guaranteed pricing for your prearranged service is the standard at Schrader, not an extra-cost option. **We are here to *help* you, not sell you.**
8. **YOUR FAMILY IS OUR FIRST PRIORITY.** Your family is our first and main priority. We are locally owned, so we do not answer to a distant board of directors or a regional manager whose focus is on selling, profits, and the bottom line. Our family-owned business knows that our continued success is dependent on your complete satisfaction.
9. **GET ANSWERS TO YOUR QUESTIONS ANY TIME.** Whether you call during the day with questions or in the middle of the night when a death occurs, your call will be answered by a Schrader staff member. You will never get a cold, impersonal operator or answering service in a distant city, or even another country. A member of the Schrader staff is available 24 hours a day, 365 days a year to help you.
10. **YOUR SATISFACTION IS GUARANTEED.** The Schrader family and staff want you to be completely satisfied with our service to you. If there is something that is under our control that is not right, please let us know and give us the opportunity to make it right. If we cannot rectify the problem or situation to your satisfaction, you will not be charged for that portion of our services.

REQUIRED DISCLOSURE:

The goods and services shown below [herein] are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of July 13, 2026, but are subject to change without notice.

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Burial vault pricing includes local delivery, professional installation and vault closing charges for Monday – Friday.
Out-of-town burials may necessitate additional mileage or installation fees. No Sales Tax on Missouri burials.
