Yanick was born in the country of Georgia. He came to the United States when he was 13 years old and served 4 years active duty and continues to serve as a Major in the U.S. Army Reserves while Barry served as a Firefighter-Paramedic for 15 years. WHY GEORGIAN VETERANS DESERVE YOUR SUPPORT

Most people don't know about the long-standing allegiance between the U.S and the country of Georgia. As a U.S. ally in the war against terror, Georgia was the third largest troop contributor in the Iraq War and currently represents the largest per-capita contributor to the U.S. led mission in Afghanistan.

Thousands of Georgian soldiers put their lives on the line to help support our country. We honor their bravery, courage, and willingness to risk their lives for ours.

ABOUT TUNNEL TO TOWERS FOUNDATION

Tunnel to Towers is a charity that supports first responders by building them smarter and more accessible homes. The foundation was started in honor of Stephen Siller, who died in the World Trade Center on 9/11.

ABOUT WWSE REPUBLIC OF GEORGIA

Wounded Warriors Support Foundation – Republic of Georgia supports veterans by providing them with financing of higher education, access to emotional and physical care, as well as assisting their underage children with medical support.

OUR EVENT WILL FEATURE
