<u>Lesson Categories</u>:

Private Lessons: Private lessons are for any ability level. This is one-on-one instruction and will be based on what your child needs to learn and improve on. Lessons are 25 minutes. You may choose any number of lessons for your child.

Group Lessons: Group lessons are held with no more than 5 students per instructor. The small group setting allows the instructor to focus on each student and provides the student with social interaction and a chance to make new friends. Lessons are 45 minutes.

Mommy & Me: Back by popular demand! Help your infant or toddler become comfortable and have fun with mommy (or daddy) in the water. Babies must be between 6 months – 2 years to participate. Classes will be held twice a week for 4 weeks. Classes are 30 minutes.

How to judge your child's ability level:

Beginner: Has never had lessons, has some fear of the water, may know the very basics, but has not yet mastered them.

Intermediate: Can comfortably put their head under water, float and can swim a short distance unassisted.

Advanced: Can swim unassisted. Ready to learn strokes beyond freestyle. Can jump into at least 5 feet of water and swim comfortably back to the wall.
