### Lesson Categories:

**Private Lessons:** Private lessons are for any ability level. This is one-on-one instruction and will be based on what your child needs to learn and improve on. Lessons are 25 minutes. You may choose any number of lessons for your child.

**Group Lessons:** Group lessons are held with no more than 5 students per instructor. The small group setting allows the instructor to focus on each student and provides the student with social interaction and a chance to make new friends. Lessons are 45 minutes.

**Mommy & Me:** Back by popular demand! Help your infant or toddler become comfortable and have fun with mommy (or daddy) in the water. Babies must be between 6 months – 3 years to participate. Classes will be held twice a week for 4 weeks. Classes are 30 minutes.

### How to judge your child's ability level:

**Beginner:** Has never had lessons, has some fear of the water, may know the very basics, but has not yet mastered them.

**Intermediate:** Can comfortably put their head under water, float and can swim a short distance unassisted.

**Advanced:** Can swim unassisted. Ready to learn strokes beyond freestyle. Can jump into at least 5 feet of water and swim comfortably back to the wall.
