

Year 6 Autumn 1 Curriculum Newsletter

Maths:

This term, we will be focusing on Number and Place Value. This includes representing, comparing and ordering numbers up to 10,000,000 (ten million), and identifying and working with negative numbers. We will then move onto the four operations: addition, subtraction, multiplication and division.

English

For Whole Class Reading and English lessons, we will be focusing on the book 'The 1000 Year Old Boy' by Ross Welford to inspire and support our learning. We will write a Biography about the author and we will also create a setting description.

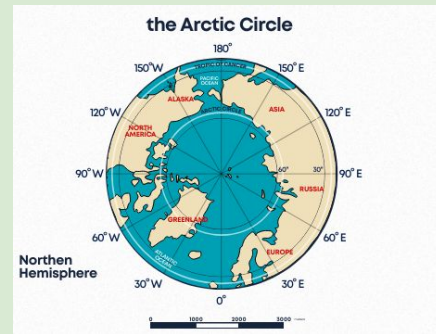

History

In History, we will find out why World War One took place and what happened during that time.

Geography

In Autumn 1, we will be focusing on Spatial Sense focusing on the world, map work and using atlas.

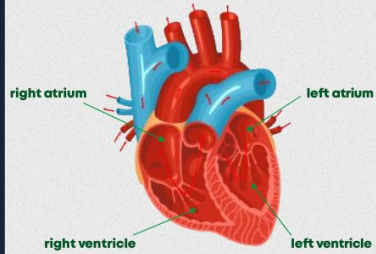

Year 6 Autumn / Curriculum Newsletter

Science -

Our science units are 'The Human Body' and in particular the heart and circulatory system.

the heart

RE -

We will be looking at the question- Do religious worldviews change over time?
