much they have gone from 48% reaching the expected standard to 84%! This is phenomenal progress and we are proud of the teaching team and the children for raising the profile of maths.

If you want to support maths at home, there is no better place than by relentlessly practicing their times tables. National tests take place in year 4 and as a recall skill, it has been proven to stick with them through to adulthood (if it is practiced regularly!)

ST PETER'S HIGHLIGHTS

Y6 CAREER'S DAY AT TCA

We always look forward to Wisbech based events, alongside other local schools. Year 6 children had the chance to explore different careers and pathways to success at TCA this week. Lots of them are now considering different future jobs to what they thought. Having aspirations is important, it drives your daily behaviour and learning- and we see Year 6 going far!

CAN DO MATHS BY NAME AND CAN DO MATHS BY CHILD OUTCOMES!

In January, we embarked on a new maths teaching and learning approach. It allows the children to work on smaller steps; learn through using equipment and practice skills until they are automatic. This approach has really supported our children; especially those that previously found maths lessons challenging. In one class alone, the children have improved so

EASTER EGG HUNT

Thanks as always to our Miss Neave who, using fundraising, put on a whole school Easter Egg Hunt for everyone to enjoy. Lots of smiley faces and children living out our mantra of... 'It is great to be grateful!'

We hope you all have a fantastic Easter break!

ST PETER'S LOGO GETS A REFRESH

We are refreshing the logo, and would love to know what part is the most important part for you...

1. The Cross
2. The St Peter's keys
3. The Handshake

Don't worry there isn't a colour or uniform change, just a refresh on the logo to make sure it matches closely with our vision and values. Any new uniforms purchased will have the new one on, but the existing one will always be welcome, please don't panic!

Let teachers know on Dojo or grab a member of SLT on the gate!

Why being present and on time is important for everyone's learning:

- **SODA** - 'Start of Day Activities' kick start our brains ready for the learning ahead

- **BAGELS** - We share bagels together 'break bread together'
- **REVISITING PAST LEARNING** - Some children are grouped to focus on securing previous knowledge and skills
- **ASSEMBLIES** - we teach the behaviour curriculum and explore the themes of the week. It is the only time we are all together sharing in learning!
- **FEELING OF FAMILIARITY:** Lateness can cause wobbles in emotions and we would love to avoid that and start the day strong!

SO in short, being here from 8.30am is **SUPER IMPORTANT** to securing a successful future!

COMMUNITY CORNER
