ST PETER'S 2025/26

There is a lot to be proud of and celebrate within these Spring Reports. They are designed to share in your child's strengths and areas for development. We at St Peter's believe that by developing knowledge and skills in a wide range of areas and through a breadth of experiences, our children will be successful in life.

Getting the most from our reports:

English and Maths

| Subjects | Working well below expected | Working towards expected | Working at expected | Working above expected |
|-----------------|-----------------------------|--------------------------|---------------------|------------------------|
| English Reading | | | | |
| English Writing | | | | |
| Maths | | | | |

Your child's class teacher/s will fill the box to indicate whether they are working **below, towards, at or above** the age related criteria for their year group. The successes and next steps should allow you to pinpoint what has gone well and what needs to be worked on next year.

Preparation for Learning

| Preparation for Learning | | | |
|-----------------------------|---|--|---|
| | Attendance | Behaviour | Effort |
| Exceptional | Attendance is 99% or higher. Always in school on time. | A role model for others due to their excellent behaviour. | Goes beyond expectations in lessons and in home learning. |
| Good | Attendance is 96% or higher. Very rarely late for school. | Always meets St. Peter's expectations for behaviour. | Consistently good effort in all work set. |
| Room for Improvement | Attendance falls below 96% or occasionally late for school. | Occasionally misses learning opportunities due to behaviour. | Effort is sometimes good but not always consistently applied. |
| Cause for concern | Attendance is below 90% or regularly late for school. | Incidents of poor behaviour cause disruption for other pupils. | Shows a poor attitude to lessons and to home learning. |

Class teacher comment boxes will give you further insights into their progress across all areas of school life. Together with the other information in the grids, this will provide you with a clear idea on your child's performance so far this year.

If you would like to request a phonecall with the class teacher about anything from this term or the report, please make contact via Dojo or ring through to the office.
