

FINANCIAL POLICY

We offer several different payment methods and options in order to serve the best interests of our patients and practice.

PLEASE CHECK WHICH OPTION YOU WILL BE UTILIZING BEFORE TREATMENT

____ **PAYMENT IN FULL**-We accept Credit Cards (Visa, MC, Disc, AMEX), Care Credit, Cash or Checks. Should you carry dental insurance and pay in full at the time of your service, all dental payments received will be sent back to you. Refunds will be in the form of a check.

____ **CARE CREDIT FINANCE COMPANY**-We have a special arrangement with Care Credit for our patients, upon approval of application.

____ **PATIENTS WITH DENTAL INSURANCE**-As a courtesy to you, we would be happy to submit your claim to your insurance company. The insurance policy constitutes an agreement between the carrier and the patient. Our office cannot make a guarantee of estimated coverage of payment. Thus, any non-covered procedures or balance after dental insurance will be due within one billing cycle. We will do everything we can to help each patient get the full benefits from your individual policy of policies if you carry dual coverage.

PLEASE NOTE: SHOULD AN INDIVIDUAL RECEIVE PAYMENT DIRECTLY FROM THEIR COVERAGE, THE CHARGES AT THE DATE OF SERVICE ARE DUE IN FULL.

NON-PAYMENT OF PROCEDURES-

- A. In the event a patient does not pay for services by 30 days after completion date, a finance charge of 1.5% will accrue every 30 days thereafter.
- B. In the event your balance becomes 60 days or more overdue, our office reserves the right to send your account to a collection company. The patient will then be responsible for making financial arrangements through the collection company or pay for services in full through our office. If payments are satisfied, our office will report all amounts received to the collection company (American Profit Recovery).

I have read and understand the above financial policy at Bittersweet Road Family Dentists.
