

COMMUNITY CARES

Henderson Chamber of Commerce Foundation

The Community Cares initiative is the heart of our Chamber's community engagement, connecting HCC members with meaningful volunteer, fundraising, and in-kind support opportunities throughout the year. Spearheaded by the Henderson Chamber of Commerce Foundation, this program uplifts local non-profits by rallying the collective generosity and talents of our members.

Over the past year, members and staff have generously volunteered their time to support charitable organizations, contributing nearly \$40,000 in in-kind donations through eleven initiatives.

Applications are reviewed on a rolling basis by the HCC/HCCF senior leadership. Final decisions are based on project alignment and available resources.

Previous Projects:

- Donated in-kind hours for long-term marketing planning, branding campaigns, logo design, and business planning
- Organized Pajama Drive & Craft Donation at Halloween Client Appreciation Dinner for S.A.F.E. House
- Adopt-A-Family Holiday Drive for East Family Services
- Book Cleaning for Spread the Word Nevada
- Home building for Habitat for Humanity
- Donation Drive for The Lullaby Connection to support disadvantaged newborns
- Created a team & participated in the Annual Walk to Defeat ALS for ALS of Nevada
- Collected essential items for transitioning veterans for the Warrior Suicide Prevention Foundation
- Coordinated a property cleanup at Veteran Memorial Cemetery in Boulder City
- Renovated courtyard and meditation garden for Hoving Home
