

# Mud Day Celebration 2025

Walnut Creek Wetland Park

Join us for the seventh annual celebration of our wetlands and all things muddy and wonderful! There will be activities, food trucks, and of course, a giant mud pit! Come dressed to get messy and wet. We've got a mud kitchen, live animals, fort building, obstacle course, local environmental organizations, crafts, and water play.

The full list of participants and festival activities can be found <https://raleighnc.gov/parks>, by searching keyword "Mud Day."
