

SUMMER CAMP REFUND POLICY

WACO is proud to offer such high-quality STEM summer camps. Advanced planning is essential to run a successful camp program and operating expenses are incurred months before camp ever begins. However, we also know that occasionally unforeseen circumstances do occur. Therefore, we have established the following policy:

Due to the limited size of the camps, there will be NO refunds issued. And, there are no refunds for “missed days” – no exceptions. However, if there is a family emergency, please make a written request at least fifteen days prior to the beginning of a camp, so that we can offer one of the following options:

- a) Transfer the registration, minus a \$25 administrative fee, to another WACO camp during the same summer season. However, campers will **not** be given a refund of the difference if they transfer to a camp of lesser value and **will** be required to pay any balances obtained by transferring to a camp of greater value.
- b) Or may transfer his/her registration to a friend, minus a \$25 administrative fee. Please email all requests to campdir@wacoairmuseum.org

These transfers are permissible as long as:

- a) a written request is made at least 15 days before the start of camp. Please make written requests to campdir@wacoairmuseum.org.
- b) Transfers to another camp must be used within the same camping season.
- c) The camp you are requesting to drop and the camp you are requesting to add are not yet full. If the camp is FULL, no transfers can be given.

If you have any questions, please email.campdir@wacoairmuseum.org. We look forward to providing a great camp experience for you and your child.
