Dental Assistant Rights and Responsibilities Acknowledgment Form

To align with AAAHC Standards, a dental assistant's rights and responsibilities focus on maintaining clinical excellence, patient safety, and professional accountability within the surgery center. The Dental Assistant provides high-level clinical and surgical support within an outpatient surgery environment. Responsible for maintaining a clean and/or sterile surgical field, assisting in complex procedures, and ensuring adherence to AAAHC infection control and patient safety standards. By applying for privileges at FPSC, you are contracted to maintain your skills, job duties, and credentials, according to your profession and outlined below:

Credential Maintenance: Maintaining current licensure, certifications (e.g., DANB, X-ray, BLS/CPR), and malpractice insurance as required by the Governing Board.

Clinical Competence: Providing care solely within your granted privileges and under the appropriate level of supervision by a licensed dentist or physician.

Patient Safety & Advocacy: Verifying patient identity and participating in "Time Out" procedures before treatments. Upholding patient rights, including maintaining visual, auditory, and electronic privacy. Reporting any concerns regarding patient abuse, neglect, or safety hazards immediately.

Infection Control: Adhering strictly to AAAHC, OSHA, and CDC guidelines for the sterilization of instruments, operatory breakdown/setup, and hazardous waste management.

Quality Improvement: Participating in the facility's Quality Management program if asked, which may include peer reviews, clinical record charting, and incident reporting.

Professional Conduct: Treating all patients, families, and team members with respect, courtesy, and dignity, regardless of background.

By signing below, you are acknowledging that you understand the job duties of an assistant in an ASC and that you are certified to perform the tasks requested on the delineation of privileges form.

DECLINATION FORM FOR FLU VACCINE

This facility has recommended that I receive influenza vaccination to protect myself and the patients I serve.

I DO NOT WANT A FLU SHOT.

I acknowledge that I am aware of the following facts:

- Influenza is a serious respiratory disease; on average, 36,000 Americans die every year from influenza-related causes.
- Influenza virus may be shed for up to 24 hours before symptoms begin, increasing the risk of transmission to others.
- Some people with influenza have no symptoms, increasing the risk of transmission to others.
- Influenza virus changes often, making annual vaccination necessary. Immunity following vaccination is strongest for 2 to 6 months.
- I understand that the influenza vaccine cannot transmit influenza, and it does not prevent all disease.
- I have declined to receive the influenza vaccine. I acknowledge that influenza vaccination is recommended by the Centers for Disease Control and Prevention for all healthcare workers in order to prevent infection from and transmission of influenza and its complications, including death, to patients, my coworkers, my family, and my community.

Knowing these facts, I choose to decline vaccination at this time. I may change my mind and accept vaccination later if vaccine is available. I have read and fully understand the information on this declination form.

I am declining due to the following reasons (check all that apply):

- □ I believe I will get influenza if I get the vaccine.
- □ I do not like needles.
- □ My philosophical or religious beliefs prohibit vaccination.
- □ I have an allergy or medical contraindication to receiving the vaccine.
- □ Other reason – (Optional) please tell us_____

I understand that if I choose to decline the influenza vaccine, and my job duties may cause me to infect patients or to become infected, I will be required to wear a surgical mask or respirator, as appropriate, within 6 feet of patients or in designated areas during influenza season.

I understand that I may change my mind at any time and accept influenza vaccination if vaccine is available.

I have read and fully understand the information on this declination form.
