Please Dispose of Waste Correctly

Put the right waste in the right bin

If waste becomes contaminated, BPL may not be able to take the recycling

We have noticed rubbish bags being left next to the bins in the bin compounds and glass bottles being placed in the general waste bins. Please ensure all rubbish is placed inside the correct bin and use the designated recycling bins for bottles. This helps keep the area clean, safe and pleasant for everyone.

If you're unsure of how to dispose of your waste, please speak to a team member at HOST or Somerset Larder.

Thank you for your cooperation.

Join the HPC Premier League Fantasy Football League!

Think you know your football? Fancy proving it against your fellow team members? Or just fancy winning some prizes and want to prove that blind luck trumps strategy?

To enter, click the image above to register or log into the official Fantasy Premier League website, select your team (if you haven't already), then head to the 'Leagues & Cups' tab.

Click 'Join a League' and enter the code: qta76p
