

# Welcome Back!

Happy New Year! I hope that you all had a great break. We have another exciting term ahead of us, full of two more exciting topics, where I hope the children continue to build upon the progress they made during the autumn term.

## Towers, Tunnels and Turrets

See that castle ahead? Get ready to invade its mighty walls. Head across the drawbridge, over the moat and up to the top of the tower. **Collaborate** with your friends to learn about the features of a castle.

Use your **initiative** and develop your **resilience** as you make sure your bridge is sturdy enough to not let us fall!

## Land Ahoy!

Yo-ho-ho! Ahoy me hearties - it's a sailor life for me! Get your sea legs on as it's time to sail the salty seas. Navigate, explore and **investigate** the world just like Christopher Columbus. Build your **knowledge** as you learn about brave, historical sea explorers.

Will you be as **motivated** as Grace Darling once was?

Quick, there's land ahead, let's get the ship to port!

The World

Possibilities

**Topaz  
Class**

Diversity

## PE

Outdoor PE will be on a Monday (squash) and indoor PE will be on a Thursday (yoga). Earrings must be removed for P.E. and long hair tied back.

## Reading

Please continue to read at home as often as possible. Similarly to the autumn term, we will continue to change books **twice a week** (Monday & Thursday). Children will also have the chance to read with an adult in school.

## Homework

This remains as a list of spellings every Monday, alongside a MyMaths maths task (fortnightly).

Please do not hesitate to contact me with any questions or queries. I will be happy to discuss your child's progress at any point. Thank you in advance for all your support.
