NEWSLETTER | JUNE 2026

A MESSAGE FROM YOUR EXECUTIVE DIRECTOR

Dear Residents, Families, and Friends,
 June always seems to arrive as an invitation—a gentle nudge to step outside, savor the longer days, and find joy in simple things. Gardens burst with color, porches grow livelier, and there's a quiet sense that something new might be waiting just around the corner.

Here's a bit of trivia that surprised me recently: June is the only month in the year without a single federal holiday. It's funny, isn't it? For a month so often filled with weddings, reunions, and Father's Day celebrations, June manages to feel festive all on its own. Maybe that's the gift of this time of year—a little extra space to make our own traditions, whether that means a leisurely walk, sharing a favorite story, or just taking time for an extra-long conversation with someone you care about.

This month, I find myself reflecting on a quiet lesson once shared by my Dad: "You don't have to have all the answers. Just be willing to listen, and show up

when it matters." That simple wisdom has stayed with me, a reminder that the most meaningful impact often comes from small moments—patience, presence, encouragement—rather than grand gestures.

As Father's Day approaches, it's a chance to honor not just fathers, but all those who have offered guidance, support, and love along the way. Whether you're remembering someone, celebrating a mentor or friend, or simply feeling grateful for the caring people in your life, I hope the day brings comfort and connection in whatever form feels right to you.

Across our community, June means more time for laughter, fresh air, and the feeling of truly belonging. Thank you for making this place so welcoming and warm. Here's to a month of discovery, connection, and all the comforts of home.

With warmest wishes,

Kasey Commerer
Executive Director

MEET David Burke

An Officer, a Gentleman & a Really Good Cup of Coffee

When you catch the scent of fresh coffee in the air at Legacy Village of Hendersonville, chances are good that Mr. David Burke is nearby—always with his daily cup, cream only, savoring the simple pleasure of a hot brew and a sunny spot outdoors. Since joining the Legacy family in February 2023, David has quickly become known for his kindness, friendly spirit, and the way he welcomes everyone he meets.

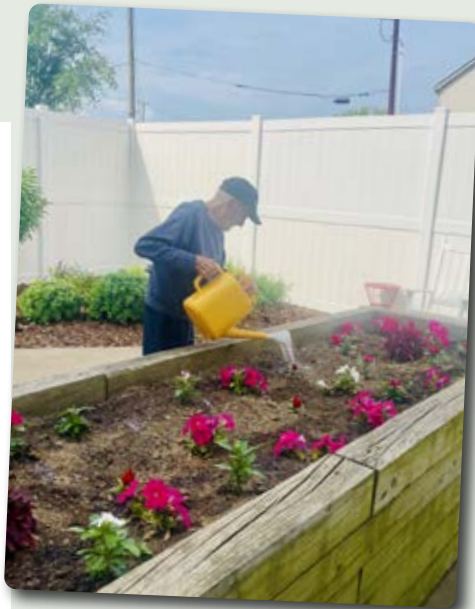

Born on June 29, 1933, in Circleville, Ohio, David's story is one shaped by service, family, and a love for life's everyday moments. He served his country as a proud Veteran in the U.S. Army, and when patriotic music fills the room or it's time to salute during a special program, you can see the true spirit of a dedicated soldier in him. The dignity and pride he brings to those moments are unmistakable.

David's roots run deep. He married his beloved Lanita Burke and together they raised a family: Vicki, Tammy, David, Buck, Troy, and Mary. He often shares fond stories

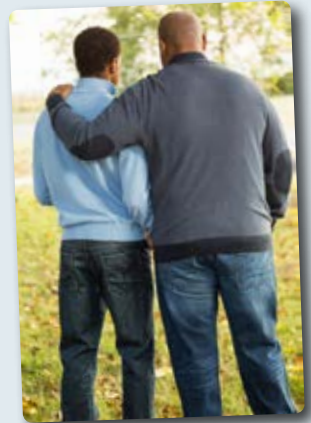

of his childhood adventures with his siblings—Richard (Dick), Don, and Pat—painting a picture of a life full of laughter and connection.

Ask him about happiness, and David will tell you it's all about time spent with family and friends. He loves nothing more than sitting in the sun, admiring nature, cars, planes, or simply whatever the day brings—especially if coffee is involved. His favorite TV show is *Gunsmoke*, and he's always happy to listen to anything by George Jones. His favorite song? "Your Cheating Heart."

Around Legacy, David is the sort of gentleman who never fails to hold the door, lend a hand, or make sure everyone is on the elevator before he steps in himself. Whether he's leading the way or bringing up the rear on a group outing, his thoughtful presence puts people at ease. Mr. David Burke is the very picture of an officer and a gentleman—someone whose kindness and grace touch everyone lucky enough to cross his path. We're grateful for the sunshine he brings to our community, one cup of coffee at a time.

The Sweetness of Everyday MOMENTS

FATHER'S DAY REFLECTIONS: Lessons Beyond Words

There's something quietly profound about learning not from words, but from the everyday examples set by those around us. For many, it wasn't the advice or the speeches that stuck—it was witnessing patience during tough times, small acts of kindness, or the way someone carried themselves through life's ups and downs. Whether from a father, a mentor, or a friend who stepped into that role, these lived lessons shape us long after childhood. On Father's Day, we honor not just the stories told, but the lives lived—imperfect, real, and full of meaning.

"My father didn't tell me how to live; he lived, and let me watch him do it."
