### What is an "E2" Children's Ministry Training Conference?

#### **E2 = Envision & Energize**

It is a training conference for children's ministry leaders/workers in the local church designed to help them "Envision" all the possibilities and opportunities that could be used to reach children with the Gospel, and to "Energize" them to take action by providing training to prepare them to meet these opportunities.

# E2 Conference Workshop Descriptions

## Komoka - April 20, 2024

### PERIOD 1

**P1-W1 Teaching for Response.** A practical, hands-on session to enable you to prepare and present God's truth so children will respond in obedience to God's Word.

**P1-W2 The Power of Experiential Learning.** How can we make God's Word come alive to children? Let children experience it! In this workshop we will look at how you can become a creative implementer of experiential learning in your family and church contexts. It's fun, simple and powerful!

**P1-W3 Get Your "Act" Together!** Come prepared for an hour of hands-on, interactive fun as we explore the use of creative drama in bringing Bible stories to life. Enjoy drama exercises (*wear comfortable clothing*) and take home a packet of ideas to use in your children's program.

**P1-W4 To Have and To Hold.** How do you find and recruit volunteers for ministry — and then KEEP them? Discover some key practical ideas to answer this question to grow and enhance your children's ministry.

### PERIOD 2

**P2-W1 Meeting Needs of the "Special Needs" Child.** Learn how to support and integrate these children - in wheelchairs, with mental challenges, autism or ADHD - into the children's ministry setting and to see themselves as a valuable part of the body of Christ.

**P2-W2 Helping Kids Read the Bible.** "Read, Reflect, Remember, Respond and Repeat!" In this session we will learn how to effectively and creatively help children Read God's Word! Be prepared to go away with many practical ideas and a vision of the importance of Bible Engagement!"

**P2-W3 Presenting The Gospel To Children.** Discover how to explain the truths of the Gospel in an understandable way to enable children to respond. Gain a renewed excitement along with tools to help you succeed!

**P2-W4 HELP!!!** A discussion of some practical teaching suggestions to employ when things don't go as you planned.

### PERIOD 3

**P3-W1 Make Memorizing Fun!** Some effective ideas and resources will be presented in *preparing, teaching and visualizing* memory verses. Enjoy some "hands-on" participation in a number of related activities that will reinforce and make memorizing fun and with lasting results for children.

**P3-W2 The Power of Experiential Learning.** How can we make God's Word come alive to children? Let children experience it! In this workshop we will look at how you can become a creative implementer of experiential learning in your family and church contexts. It's fun, simple and powerful!

**P3-W3 Get Your "Act" Together!** Come prepared for an hour of hands-on, interactive fun as we explore the use of creative drama in bringing Bible stories to life. Enjoy drama exercises (*wear comfortable clothing*) and take home a packet of ideas to use in your children's program.
