About

Established in 2000, LocaMed Ltd. is a trusted supplier of reliable, high-quality laparoscopic instrumentation and associated products, supporting healthcare professionals with dependable solutions. As a specialist in laparoscopic technology, LocaMed Ltd. offers a product range designed for ease of use, improved safety, and streamlined surgical efficiency, positioning our products to effectively compete with leading brands.

With an MDD extension and an MDR certification planned for 2025, LocaMed Ltd. maintains stringent standards to ensure consistent quality and compliance with current regulations. Working alongside top companies in the field, we have assembled a portfolio of proven, cost-effective products that enhance surgical efficiency without sacrificing patient care.

LocaMed Ltd.'s dedicated sales team and customer service department, based at our head office in Farnham, Surrey, UK, are committed to providing a first-class experience for our clients. As healthcare evolves, LocaMed Ltd. is attentive to the needs of healthcare providers globally, offering flexible, cost-effective solutions. Together with our international colleagues, we are committed to delivering quality treatment options that are both effective and budget-friendly for healthcare providers.
