LocaMed
surgery in safe hands

Welcome

Established in 2000, LocaMed Ltd is a worldwide trusted supplier of Disposable (single use) Laparoscopic Instrumentation and Ligation products, as well as associated and supplementary products and procedure packs.

With over 40 years' experience of medical device markets worldwide, we have access to leading surgeons, manufacturers and strategic partners all over the world. This keeps us at the forefront of new developments, so we remain equipped to meet the needs of healthcare providers.

Supported by a highly trained sales team and dedicated customer service department based at our head office in the UK, LocaMed puts service at the heart of everything we do. We understand the evolving needs of healthcare professionals and offer the flexibility and reliability required in today's fast-moving medical landscape.

Our manufacturing roots combined with our extensive experience in distribution, has enabled us to bring together an exciting portfolio of market leading products covering the full laparoscopic speciality – all designed to enhance safety, usability and surgical efficiency. We understand the importance of a high-quality product range that is cost-effective without compromising patient care, which is why our **Lap.Works**, **Liga.Works** and **Staple.Works** brands are trusted around the world.

Together with our global partners, LocaMed remains committed to delivering better outcomes for patients and more value for healthcare systems.

- ✓ Simple ordering
- ✓ Specialist support
- ✓ Innovation and excellence
- ✓ Fast delivery
