

New Billing System

You may have noticed your invoice looks a little different from last month as we have switched to a new billing agent.

We are excited about this change as it brings new features!

In the coming months our new member portal will be available and will have a few more areas in which our members can update information. For members who receive monthly invoices in the mail, next month you will also receive a copy by email if we have your email address on file.

Credit Card Payments

There are a few changes to credit card payments with our new system.

For all credit card payments, there will be a 2.5% transaction fee charged.

Another change is we can now store credit card information in our system for automatic card payments. If you would like us to enter your credit card information into the system, please let us know.
