Stable Rate Option Contract Information

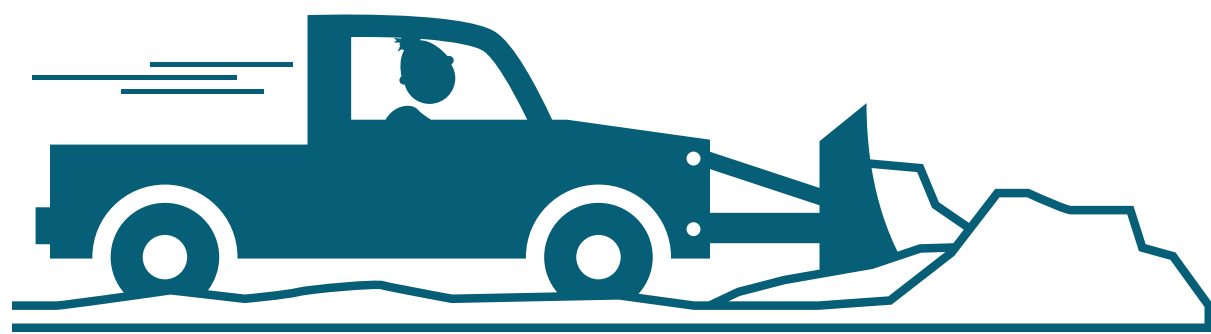

The 2023 Stable Rate Option Contract is still available at the rate of **11.2 cents/kWhr**. This contract expires on December 31, 2023. If you would like to switch over, please contact the office!

The RRO for the month of November is **21.153 cents/kWhr** which includes the November RRO deferral account repayment amount of 3.037 cents.

Keep an eye on your mailbox for 2024 Stable Rate Option information!

A new rate will be set for January 1-December 31, 2024. Members will receive an informational letter along with the new contract for your signature. Any member on the current Stable Rate will have to sign the new contract in order to be placed on the 2024 Stable Rate Option.

Please reach out to the office at (780) 632-6112 with any further questions.

Snow Clean Up

Winter is quickly approaching, and we want to remind all members to keep in mind where snow is placed in their yards throughout the winter season. In case of an emergency, our linemen need access to the power poles in yards and on the mainline. When clearing snow, please ensure that it is pushed to a location out of our Right of Way access.
