## 2024 Stable Rate Option Contract

Lakeland Power Co-op is pleased to announce that a new Stable Rate has been set for 2024! The fixed rate option has decreased to **10.2 cents/kWhr** for one year **January 1-December 31, 2024**.

Lakeland Power Co-op has mailed out the updated contract to all members who are currently on the Stable Rate Option. Members with multiple electrical services would have only received one letter and one copy of the contract from us in effort to save paper! We remind those members that all of your sites can be added to the same contract, it is not necessary to return multiple contracts. It is very important that you sign & return the contract to the office prior to January 1, 2023 to ensure that you remain on the Stable Rate Option for 2024.

A reminder that the 2023 Stable Rate Option of 11.2 cents/kWhr is still available until the end of this year! If you are currently on the Regulated Rate Option (RRO) and would like to make the switch, please contact the office for further information.

Should you have any questions regarding the Stable Rate Option Contracts for 2023 or 2024, feel free to reach out to the office at (780) 632-6112.

**Lakeland Power Co-op Board of Directors and Staff would like to wish members**

**Happy Holidays and a Happy New Year!**

**Thank-you for your continued support, we are looking forward to 2024!**

**Throughout the month of December, we will have a Vegreville Food Bank drop-off box located at the office. All donations of non-perishable food items are greatly appreciated!**

**The Lakeland Power Co-op office will be closed on Monday, December 25;  
Tuesday, December 26, 2023; and Monday January 1, 2024.**
