

2026 Stable Rate Option Contract

Lakeland Power Co-op is pleased to announce that the Stable Rate for January 1 - December 31, 2026 has decreased from 8.85 cents to 8.50 cents/kWh.

For all members who are currently on the Stable Rate, we do not require you to sign a contract for 2026 as the contract we have on file is set to auto renew.

For members who have not yet switched to the Stable Rate, your ROLR (Rate of Last Resort) energy rate will be 12.699 cents/kWh for January 1 - December 31, 2026.

If you have any questions, please give us a call at (780) 632-6112.

Food Bank Donations

Currently local Food Banks are struggling with low levels of food. If you can help out by making a donation of non perishable food, hygiene products or monetary, it would be greatly appreciated.

We have a Food Bank Donation bin located in our office.

The Lakeland Power Co-op Board of Directors and Staff would like to wish our members a Merry Christmas and a Happy New Year!

Thank you for your continued support over the past 25 years as a Self-Operating REA!

We look forward to serving you in 2026!

**The Lakeland Power Co-op office will be closed on
Thursday, December 25 and Friday, December 26;
and Thursday, January 1 and Friday, January 2, 2026.**
