## Line Patrol

It's the time of year where you will see our Lakeland Power Co-op trucks travelling our service area for Line Patrol.

Our Linemen will be looking at poles, power lines, transformers, meters, and any trees affecting the power lines.

Line Patrol is done every Spring to document all maintenance required to be completed throughout the year and to provide our members with the best possible service.

## 2023 Stable Rate Option Contract

The 2023 Stable Rate Option Contract is 11.2 cents/kWhr.

If you would like to switch over, please contact the office!

The RRO for the month of April is 17.302 cents/kWhr.

## Click Before You Dig

As we approach warmer temperatures, we remind you to Click Before You Dig!

### **Know What's Below.**

Whether you're planning a home improvement job, planting a tree or installing a fence or deck,

Click Before You Dig to safely identify buried utility lines.

As you prepare your yard for spring and summer projects, please ensure your safety is top priority. Any work being done on properties should be done with care, while ensuring you do not hit any unexpected lines underground.
