2026 Stable Rate Option Contract

Lakeland Power Co-op is pleased to announce that the Stable Rate for January 1 - December 31, 2026 is 8.50 cents/kWh a decrease from the 2025 rate of 8.85 cents/kWh. For those who were on the 2025 Stable Rate, there is no need to sign a new contract as the 2025 Contract auto renewed.

To confirm if you are on the Stable Rate, please take a look at the second page of your attached invoice under Energy Charges. It will show as Stable Rate and the rate will show as \$0.0850/kWh.

Energy Charges (Jan 1 to Jan 31, 2026)		
Stable Rate		
1033 kWh X \$0.0850 /kWh		\$87.81
757 kWh X \$0.0850 /kWh		\$64.35
Energy Charges Total		\$152.16

If you have any questions, please give us a call at (780) 632-6112.

Icy Conditions

With the warm up we had mid January has come extremely icy conditions. Please take caution when out and about in your yards and in your communities.

New Staff Member

We would like to introduce the newest member of our Lakeland Power Co-op Team. Charolette Landry has filled our Member-Owner Representative position and will be in the office 3 days a week. If in the Vegreville area, stop in and introduce yourself.
