4802-47 Avenue, Vegreville, AB

Keep an eye out for more details regarding times & registration in your October Newsletter!

Harvest & Power Line Safety

Harvest season is upon us & Lakeland Power Co-op wants to remind you to be safe during this season!

Please keep watch for overhead power lines while you are on the move. Ensure you know the location of any overhead powerlines in your area so that your equipment can pass safely.

If items being moved exceed 16 feet, please use extreme caution and contact the office with any inquiries regarding your high load move.

Farmers should be aware of the increased potential for fatigue that could cause harm to themselves or others. Please ensure you are getting enough rest!

As work continues within your bin yards, please keep in mind the location of overhead powerlines. If you are considering a line move or going underground, please contact the office for more information.

Wishing you a safe & prosperous Harvest Season in 2026!

Vegreville Country Fair Parade

Lakeland Power Co-op would like to thank our members for their support during the "Thank a Farmer" Parade! As always, it was great to see the familiar faces of our membership, and of course, share some goodies within the community!

**The Lakeland Power Co-op Office will be closed on
Monday, September 7, 2026 for Labour Day**
