Dear Guests,

Thank you for joining us tonight at Teresa's. It is our goal to provide you with the best Italian food there is in Pennsylvania. We base our menu and our Italian aura off of our late mother, Teresa, who this restaurant is named after and dedicated to. She is the strong influence behind our warm hospitality, our wide selection of dishes, or assorted pizzettes offered, and our imported wine selection. We hope that you feel welcome when you join us here and we greatly appreciate your patience as we make your dinners to order. Our chef is open to making accommodations to your dish and trust it will be to your liking. Bring your friends and make our restaurant feel like home. We have a private dining room that accommodates up to 50 people.
