

2026 PREMIER YEARLING SALE

IMPORTANT NOTICE FOR ENTERING WOODBINE

We wanted to share an important update with you that might affect your arrival to the property.

PICKETING

There is currently a labour disruption between the casino at Woodbine, operated by Great Canadian Entertainment, and a group of its union employees represented by Unifor. Woodbine Entertainment is not involved in this labour disruption, however, picketers have been present at entrances to the Woodbine property. Picketing activity varies from day to day, but generally takes place during the afternoon and evening.

PREFERRED ENTRANCES

Please use **Carlingview Drive** or **Goreway Drive** to enter the Woodbine property. Picketers have been instructed to allow horsepeople through with the proper identification, although there may still be a short delay.

IDENTIFICATION

If you have a **photo horseperson license**, please proceed to the front of the line and show your pass to the picketers. If you do not have a horseperson license, when you arrive at the Sales Pavilion, please pick up a **temporary ID pass** from the Woodbine Security team at the entry gate. This pass will also allow you to proceed to the front of the line when you re-enter the property. **Photos of the temporary pass will not be accepted.** Note the temporary passes are only valid until Friday, September 4.

CONSTRUCTION

Construction on the property has limited access to the Sales Pavilion. Please follow the SALES PAVILION signs that located at each entrance and around the property. Carlingview Drive and Goreway Drive are the best entrances to use.

MAP

Please review the map below before making your trip familiarize yourself with the preferred entrances and route to the Sales Pavilion.
